Dep^t. Yet. the Pres^dy proposes that the existing cess collection officials may be exempted from furnishing security

In the file now before the Dewan there is a proposal to transfer the collection of cess to the collection Department of the Municipality. If this proposal, which has been recommended by the Comptr., is sanctioned and carried out, there will be no necessity for a separate cess collection roll. But till then the existing ro^l will have to do the work. It is, therefore, a question for consideration whether during this interval the existing officials should be required to furnish security or exempted therefrom

Submitted for orders.
